# **THE COAL INSTITUTE**

Dear Coal Institute Members:

The 47th Summer Trade Seminar is fast approaching, and your help is once again requested in regard to sponsorship! This event continues to be one of the premier meetings in the coal industry, and with its tradition of mixing family fun with business, it is second to none. However, this event does not happen without the hard work of a group of dedicated volunteers, and without the support from you, our members and sponsors.

In order to maintain a reasonable balance between a first-class seminar at a fair price, and the increasing costs of the STS, we need your ongoing generosity. The sponsorship funds you provide not only benefit the STS; they also support The Coal Institute's scholarships and related coal education programs. We respectfully request that you consider providing a minimum contribution of \$750.00. Please note that we are grateful for any financial assistance that you may offer.

This year we have some creative sponsorship opportunities that include a new T-Shirt logo sponsorship and the return of the STS family fireworks display. Please review the following information for all the details related to Sponsorship for this summer's meeting.

As always, we thank you in advance for considering sponsorship of this event. We look forward to seeing you in Myrtle Beach!!!!

Tim Carr  
Chair of the Sponsorship Committee
