THE COAL INSTITUTE

Dear Coal Institute Members:

The Fall Education and Engineering Seminar is fast approaching. Your help is once again requested regarding sponsorship! This event promises to offer opportunities to educate and inform you about current issues in the coal industry but also opportunities to connect with colleagues and customers. However, this event does not happen without the hard work of a group of dedicated volunteers, and without the support from you, our members and sponsors.

The sponsorship funds you provide not only benefit the Education & Engineering Seminar; they also support The Coal Institute's scholarships and support of related coal education programs. We respectfully request that you consider providing a minimum contribution of \$750. As you look at the various sponsorship opportunities, please consider the BT Prince Past Presidents Sponsorship, Golf Hole signage and Mulligans. The revenue from each of these goes directly to our Educational Funding Program and will help us reach our goal of at least \$5,000 at each of our 3 meetings this current fiscal year. Please note that we are grateful for any financial assistance that you may offer.

The Joe Frye Educational Funding committee received an especially touching letter from a college student who also is a Warrior Coal roof bolter, who is appreciative of the financial support you provided for his continuing education. Please take a minute to read by clicking [HERE](#).

We have some creative sponsorship opportunities. Please review the following information for all the details related to Sponsorship for this fall's meeting.

As always, we thank you in advance for considering sponsorship of this event. My Co-Chair Joe Frye and I look forward to seeing you in Myrtle Beach!!!!
